# The Lamb Has Overcome [Lyrics]

[Default Arrangement] by Luke Morton

The Lamb has overcome  
The Lamb has overcome  
The battle's done and the victory is won  
For the Lamb has overcome

No grave could hold him down  
No grave could hold him down  
Up from the ground, "He is risen!" was the sound  
No grave could hold him down

At God's right hand is he  
At God's right hand is he  
Our Perfect Plea as he lives to intercede  
At God's right hand is he

Worthy is the Lamb who was slain  
Glory be unto his name (2x)

The table now is spread  
The table now is spread  
This wine and bread, broken body and blood shed  
The table now is spread

The day is drawing near  
The day is drawing near  
He shall appear and will wipe away each tear  
The day is drawing near

The head that once was crowned with thorns, is crowned with glory now

          D    F#m    E                  D    A    E  
The Savior knelt to wash our feet, now at his feet we bow

The one who wore our sin and shame, now robed in majesty  
The radiance of perfect love, now shines for all to see

          D          A          E  
*Your name, your name is victory*

          D          A          E  
*All praise will rise to Christ our King*  
*(repeat)*

| D A | E | D A | E |

The Fear that held us now gives way, to him who is our peace  
His final breath upon the cross, is now alive in me

*Bridge:*

D          A          E          A/C#          D  
By your Spirit I will rise from the ashes of defeat

The resurrected king is resurrecting me

          A          E          A/C#          D  
In your name I come alive to declare your victory

          A          E    A/C#          D  
The resurrected king is resurrecting me

The tomb where soldiers watched in vain, was borrowed for three days  
His body there would not remain, our God has robbed the grave

          D          A    E  
Our God has robbed the grave

# Joyful Joyful We Adore Thee [Lyrics]

[Default Arrangement] by Edward Hodges, Henry Van Dyke, and Ludwig van Beethoven

Joyful, joyful, we adore Thee  
God of glory, Lord of love  
Hearts unfold like flow'rs before Thee  
Op'ning to the Sun above  
Melt the clouds of sin and sadness  
drive the dark of doubt away  
Giver of immortal gladness  
fill us with the light of day

All Thy works with joy surround Thee  
Earth and heav'n reflect Thy rays  
Stars and angels sing around Thee  
center of unbroken praise  
Field and forest, vale and mountain  
Flow'ry meadow, flashing sea  
chanting bird and flowing fountain  
call us to rejoice in Thee

Thou art giving and forgiving  
ever blessing, ever blest  
well-spring of the joy of living  
ocean-depth of happy rest  
Thou the Father, Christ our Brother—  
all who live in love are Thine  
Teach us how to love each other  
lift us to the Joy Divine

Mortals join the mighty chorus  
which the morning stars began  
Father-love is reigning o'er us  
brother-love binds man to man.  
Ever singing, march we onward  
victors in the midst of strife  
joyful music lifts us sunward  
in the triumph song of life
